

ALVINNN!!!

AND THE CHIPMUNKS™

CREATED BY JANICE KARMAN

A gender neutral comedy
for kids and family

Ypsilon
Licensing

Synopsis

The new series is an animated version of a prime-time sitcom that reflects the trials of a single parent, David Seville, trying to raise six hyper-active Chipmunks. The series, created by Janice Karman, takes the fourth's generation of fans into a roller coaster ride of music, laughter and groundbreaking adventures, always positive, engaging and fun!

TV

260x11' episodes support the launch of a strong franchise.
